ADOPTED!!!

6 November 2011

Our handsome boy Beano has found his forever home!!

On Saturday the 29th of October we had our second adoption day at Stodels Milnerton and what a great success it was!

A wonderful family of 4, Dad, Mom and 2 kiddies were looking to add a 5th member to their family.

Beano absolutely stole their hearts! After taking him for a walk with the kiddies and seeing how he acts around them, they (and we) just knew he was the perfect dog for them.

They couldn't wait to welcome him home.

A home check was done that afternoon still and all was just perfect! Beano was home!

We are going to miss you boy!!!

Beano with his new best friend.

ADOPTED!!!

Buddy was with us for only a week when he found his forever home! "Buddy when I rescued you and you couldn't stop kissing and loving me, I prayed that you would find someone who will be able to give you all the love and attention you need and deserve. And now you have it! Thank you so much to the family that opened their hearts and home to you. May you be blessed and may Buddy give you so much joy and happiness." - Philippa

"Blikskud" in Somerset West

What a great morning we had on the 22nd of October. Our first "blikskud" where a dozen of our volunteers helped Cherie & Philippa with an awesome fundraising attempt.

We are proud to announce that in two hours we made R2 500.00 and gave out 500 flyers making people aware of DHRC.

We will attempt to do this at least once or twice a month in several areas in and around the Western Cape which will help us bring in some pennies for spaying, vaccinations, food, meds and who knows maybe someday soon we will have our one mobile clinic that can do spayathons.

Thanks to all our hard working volunteers for making this day a great success. We are proud to have you on our side!

Contact Cherie on 082 377 5403 (cherie@dhrc.org.za) or Philippa (philippa@dhrc.org.za) on 072 615 9417 if you want to join our fun, exciting, vibrant team a "blikskutters". The more volunteers we have the more money we will make!

Adopt me!

DAN

Dan is the name. I'm a very handsome young German Shepherd (if I may say so myself :-). I've been rescued off the streets in the Bellville area and no-one has come to claim me. We where a pack of 3 when the wonderful people of DHRC picked us up.

I am about 1.5 yrs old and have been neutered, vaccinated and de-wormed. I'm extremely intelligent and if you ask me I will even give you my paw. Kids? I just love kids!

I am so grateful for being rescued and will lovingly protect my new forever home. If you are an active family, I might just be the perfect dog for you! Please contact the DHRC if you would like to meet me face to face!

If you would like to adopt Dan or any of our other angels, please contact Mayanna on 074 1022 121 or Cherie on cherie@dhrc.org.za or 082 377 5403.
